NOW, THEREFORE, in consideration of the mutual covenants, agreements and promises herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

SECTION 1: RECITALS.

The recitals set forth above constitute a material part of this Agreement. The Parties hereby confirm the accuracy, truth and validity of said recitals and do hereby incorporate the same herein as if set forth in their entirety in this Section 1.

SECTION 2: ANNEXATION AND ZONING OF THE PROPERTY.

A. Enactment of Annexation Ordinance. Immediately following the adoption of the resolution approving this Agreement the Corporate Authorities shall enact an ordinance (the "Annexation Ordinance") annexing the Property and all unincorporated highways contiguous thereto to the Village.

B. Zoning of the Property.

- 1. Zoning in ER-1 District.** Upon annexation, the Property shall be automatically classified in the ER-1 Estate Residence District.

2. **Existing Structures and Improvements.** Owner shall have the right to maintain use and repair (and in the event of a casualty loss rebuild and restore) all existing structures and improvements on the Property notwithstanding the annexation of the Property to the Village or any provision of any Village code, ordinance or regulation to the contrary.
3. **Yards and Lot Lines.** The Parties agree that Glen Ellyn Road shall be the front yard of the Property and that the front lot line of the Property shall be a line that parallels the right-of-way line of Glen Ellyn Road.

SECTION 3: CONNECTION TO VILLAGE POTABLE WATER, SANITARY SEWER, STORM SEWER SYSTEMS, AND DRIVEWAYS

- A. **Connection to Sanitary Sewer and Water Systems.** Owner, at his sole cost and expense, shall have the right to connect to the Village's sanitary sewer and potable water systems upon payment to the Village of a sanitary sewer connection fee and potable water connection fee (collectively, the Connection Fees"). Said fees for single family dwelling unit shall be in the amounts of \$10,600.00 and \$1,140.00, respectively, provided Owner pays such fees no later than December 31, 2021. If the connection fees, water meter fee and account start-up fee are paid after such date, then such fees shall be paid in such amounts as are then required to be paid by applicable Village ordinances. The foregoing fees shall be in addition to standard and customary plumbing permit and inspection fees which Owner also agrees to pay. Owner shall not undertake any connection to the Village's sanitary sewer and potable water systems until he has applied for and obtained appropriate Village permits therefor. All work Owner undertakes or causes to be undertaken to affect such connection shall be done in accordance with the terms of such permit and all applicable Village codes, ordinances, and regulations. Prior to the Owner connecting to the Village's sanitary sewer and potable water systems he shall cap the existing well on the Property and abandon the existing septic field on the Property in accordance with all applicable regulations of the DuPage County Health Department. A buffalo box will be installed as part of the plumbing within one (1) foot of the ROW line. The sewer under the street will be installed by the owner as part of the building plumbing and must be bored under the street (open cut of the road not permitted). It is understood by all parties that a sanitary sewer main is not presently available to service the subject property; should the resident desire to pursue connection to sanitary service for this property the Village will be responsible for providing adequate infrastructure to do so. The water service under the street will be installed by the owner as part of the building plumbing and must be bored under the street (open cut of the road not permitted).
- B. **Driveway(s) and Culvert.** Driveways, should a permit for driveway construction be applied for in the future, shall be constructed of materials to meet Village Code. A culvert shall be installed under the driveway , and shall be owned, operated and maintained by the homeowner.
- C. **Easement.** An easement for serving the grantor's property and other property with sanitary sewer is hereby reserved and granted to the Village pursuant to the Easement Agreement, attached hereto and incorporated herein as APPENDIX A:

SECTION 4: ANNEXATION FEES

The annexation fee in the amount of \$500.00 is hereby waived by the Village. The Parties acknowledge that the \$150.00 of such sum payable to the Bloomingdale Public Library Board shall instead be paid by the Village.

SECTION 5: CONFLICTS

In the event of a conflict or inconsistency between any Village code, ordinance or regulation in effect as of the Effective Date of this Agreement or any newly enacted Village code, ordinance or regulation, on the one hand, and the provisions of this Agreement, on the other hand, the latter shall govern and control.

SECTION 6: MISCELLANEOUS PROVISIONS

- A. Successors and Assigns.** Owner's rights and obligations under this Agreement shall inure to the benefit of and be binding upon Owner's successors, assigns, heirs and legatees and upon successor legal or beneficial owner of the Property.
- B. Time of the Essence.** Time is of the essence of this Agreement and of each and every provision hereof.
- C. Amendments.** This Agreement may be amended only by the mutual written consent of the Parties and by the adoption of an ordinance or resolution of the Village approving said amendment as provided by law.
- D. Integration.** This Agreement supersedes all prior agreements and negotiations between and among the Parties and sets forth all promises, inducements, agreements, conditions and understandings between and among the Parties relative to the subject matter hereof, and there are no promises, agreements, conditions, or understandings, either oral or written, express or implied, between or among them.
- E. Severability.** In the event any phrase, paragraph, article or portion of this Agreement is found to be invalid, illegal or unenforceable by any court of competent jurisdiction, such finding of invalidity, illegality or unenforceability as to that portion shall not affect the validity, legality or enforceability of the remaining portions of this Agreement.
- F. Construction.** Section numbers and caption headings are purely descriptive and shall be disregarded in construing this Agreement. The provisions of this Agreement shall not be construed in favor of or against one or more of the Parties because a given Party's counsel may have assumed principal responsibility for the drafting of such provisions, the Parties acknowledging that they have each been represented by counsel in connection with the negotiation of this Agreement.
- G. Recordation.** This Agreement shall be recorded by the Village in the office of the DuPage County Recorder of Deeds.

The prevailing Party in any such action shall be entitled to recover from the other Party the reasonable attorneys' fees and litigation costs that it has incurred in prosecuting or defending such action. No action taken by any party pursuant to the provisions of this Section 7 shall constitute an election of remedies.

SECTION 8: TERM
