THIS REDEVELOPMENT AGREEMENT (“*Agreement*”) is entered into as of the ___ day of August, 2022 (“*Effective Date*”) by and between the Village of Bloomingdale, DuPage County, Illinois, an Illinois municipal corporation (“*Village*”), and BMR SPRINGBROOK OUTLOT LLC, an Illinois limited liability company (the “*Developer*”). The Village and Developer are each individually a “*Party*”, and collectively the “*Parties*”, hereto.

RECITALS

WHEREAS, the Village is a duly organized and validly existing home-rule municipality created in accordance with the Constitution of the State of Illinois of 1970 and the laws of the State;

WHEREAS, the Village is engaged in the revitalization and development of properties along Lake Street which includes the property commonly known as 132 E. Lake Street and identified by Parcel Number 02-15-205-030 (the “*Subject Property*”);

WHEREAS, the Village has the authority pursuant to the laws of the State of Illinois, to promote the health, safety and welfare of its inhabitants, to prevent the spread of blight, to encourage private development in order to enhance the local tax base, to increase job opportunities, and to enter into contractual agreements with third parties for the purpose of achieving these goals;

WHEREAS, pursuant to the Tax Increment Allocation Redevelopment Act of the State of Illinois, 65 ILCS 5/11-74.4-1, *et seq.*, as from time to time amended (the “*TIF Act*”), the President and Board of Trustees of the Village (collectively, the “*Corporate Authorities*”) are empowered to undertake the development or the redevelopment of a designated area within its municipal boundaries in which existing conditions permit such area to be classified as a “blighted area” or a “conservation area” as such terms are defined in the TIF Act;

WHEREAS, to stimulate and induce development and redevelopment pursuant to the TIF Act, the Village, after giving all required notices, conducting a public hearing and making all findings required by law, on the 22nd day of March, 1999, pursuant to Ordinance Nos. 98-39, 98-40 and 98-41, approved a Redevelopment Plan and Program (the “*Redevelopment Plan*”) for an area designated as the Ridge and Lake Street - Springbrook Redevelopment Project Area (the “*Project Area*”) which Project Area includes the Subject Property, and adopted tax increment financing for the payment and financing of “Redevelopment Project Costs”, as defined by the TIF Act, incurred within the Project Area as authorized by the TIF Act;

WHEREAS, the Developer is the owner of the Subject Property and has submitted a proposal to the Village for the Demolition of the existing structure located thereon (collectively, the “*Project*”);

WHEREAS, the Developer has advised the Village that its acquisition of the Subject Property and demolition of the existing structure was and is contingent upon financial assistance to purchase and demolish the structure located on the Subject Property and undertake the Project and has requested the Village to provide reimbursement of eligible redevelopment project costs available to it as a result of the Village’s adoption of the TIF Act and the receipt by the Village of “Incremental Taxes” generated by the Project Area.

WHEREAS, the Village believes the Project would enhance the business corridor on Lake Street and therefore desires to have the Subject Property improved as proposed which the Village believes would

have a synergistic effect upon the surrounding businesses and, in addition, would increase the tax base for the Village and taxing districts authorized to levy taxes upon the Subject Property and provide job opportunities for its citizens; and, therefore, is prepared to assist the Developer with certain costs associated with the Project, subject to the terms of this Agreement, the TIF Act, and all other applicable provisions of law.
